by clicking the icons in the top panel. The tools are great for special effects. Photoshop is available for a variety of platforms, including desktops and tablets, in addition to being available online. I describe how to install Photoshop on your computer and the other places you can use it. \*

**\*\*Photoshop Express:\*\*** This free app is available for the iPad, Android tablets, and Apple TV. It gives you basic editing tools, including the addition and removal of effects and filters. Also, you can create and save a limited number of layers. The online version is less powerful than Photoshop, but it lets you save, print, and share an unlimited number of layers. You can also view and alter files from other software on your computer. To avoid the confusion of the layer system, the photo layers are named `_Photoshop PSD_` (`_PSD_` is the file extension for Photoshop

images). \* \*\*Adobe Bridge:\*\* The online version of Photoshop isn't a Photoshop program, but rather a tool for getting the images you create in Photoshop to your computer. It contains tools for managing layers, a rudimentary file browser, and previews of images. It's especially useful for professional photographers and for those who do most of their work in Photoshop. In this book, the focus is on the desktop version of Photoshop. If you're interested in working with photos online, go to `

Personality, cooperation, and willingness to pay. This article provides a review of published studies that have investigated the relationship between individuals' personality traits and willingness to pay for insurance. Studies that have found that extraversion and agreeableness, but not conscientiousness, are positively associated with insurance-related willingness to pay are discussed. Studies that have found that neuroticism and openness are negatively associated with insurance-related willingness to pay are also discussed. A meta-analysis confirmed that extraversion and agreeableness are positively related to willingness to pay. Within each of these two traits, there are inconsistencies in the direction of the relationship between personality and willingness to pay. These

---

inconsistencies are discussed, and the results from studies that have investigated why personality is related to insurance-related willingness to pay are also provided. Three conceptual accounts of the relationship between personality and insurance-related willingness to pay are presented: environmental contingency, personality ambivalence, and general reactivity. Research limitations, challenges, and suggestions for future research are discussed.

Seroprevalence of human T-cell lymphotropic virus type-I infection in pregnant women in Pernambuco State, Brazil. The purpose of this study was to identify the prevalence of infection by human T-cell lymphotropic virus type I (HTLV-I) in pregnant women in Pernambuco State, Brazil, and to investigate whether this virus is transmitted in this population, as described in Japan. A blood sample

---

was collected from 920 women of reproductive age and from 668 pregnant women. All women were positive for the HTLV-I antibody, by enzyme-linked immunosorbent assay (ELISA). HTLV-I was found in 10.8% of the pregnant women, by a PCR assay for HTLV-I proviral DNA. The prevalence of HTLV-I infection was higher in the Group A (5.8%), than in the Group B (2.4%) (P

passion for cell phones allegedly was caught in the middle of a sexual assault. A Bellefonte woman said she wanted to just hang up her phone and go to sleep, but a man kept calling her on her sleep number and then made her be his sex toy, police said. The woman said on Wednesday that the incident happened about 3:30 a.m. April 5 when she answered her phone at a Bellefonte hotel and it was Josiah Smith, 38, according to the Bellefonte Area Judicial System. More On This... Police said after they finally shut down the call, the victim left the hotel and called police to report she was assaulted and to have Smith arrested. A judge ordered Smith to have a psychological exam. Smith was arrested at a different motel in state police's Upper Mount Bethel Township on charges of indecent assault on a minor, involuntary deviate sexual intercourse with a child and unlawful

contact with a minor. He was arraigned via video and released pending a preliminary hearing, according to the courts. A woman would not give her name or talk to WTAJ.com. But she told NBC10.com that Smith was her fiancé. The National Center for Missing and Exploited Children said it is in contact with Penn State University and has contacted the police in Bellefonte, Reading and Allentown. The center is working with local authorities to see if there are any similarities to a recently reported Pennsylvania case. The center said its Child Abduction Rapid Deployment Team is providing assistance in Bellefonte, Reading and Allentown in addition to other cities nationwide. Police said there may be more victims or additional charges filed against Smith. State police are asking anyone who may have been a victim of Josiah Smith to contact the
