Burbank, Calif. --
Lucasfilm and Disney are
teaming up with
Electronic Arts on two
Star Wars-themed games.
A release date for both is
set for Holiday 2017. The
first game, called Star
Wars Jedi: Fallen Order,
will be an action-

adventure game with third-person combat and puzzles... The studio also announced that it will introduce three more titles to the Star Wars canon..... -... Since Lucasfilm announced its partnership with EA on the games, two veteran Star Warsvoice actors, who are credited with doing the voice of Darth Vader and Jango Fett...

-..... The collaboration with Lucasfilm included using mostly real-world objects to create the images. In the images above, there is a lightsaber, and there is a BB-8 to the right of the image. The images were located in the game's backgrounds and scenes of various Star Wars games... With Star WarsRebellion coming out

next month, The Game Depot could not have timed its Star Wars Rebellion deal with EA, at less than a month before its launch..... Star Wars Rebels is returning in a brand new adventure, following the thrilling events of last month's season finale, and Lucasfilm have been kind enough to drop an official trailer for it, exclusively to

TheFandom... It's the perfect place to start learning about the new outfit, especially since Rebel students are currently going through the training rigmarole, having acquired their gear from the scavenging operation that was their first mission...
