For example, the tipitaka, the "three baskets" that form the core of the teaching. The Buddha, according to Theravada Buddhists, cannot be dated. On the other hand, in Mahayana Buddhism, as well as in Jainism, as well as in Sikhism, there are sacred books containing texts that are not directly related to the teachings of the Buddha, but, nevertheless, are of undoubted interest to researchers. In Tibet, Buddhism spread quite easily. This country has a very strong tradition of shamanism, which, despite all its many shortcomings, helped the Tibetans master very laborious but effective methods of healing.
